

# TELUNAS KIDS ADVENTURE CAMP

Come relax and unplug at Telunas while your kids have the incredible opportunity to participate in Telunas' world-renowned outdoor education programs. Usually reserved for Asia's top international schools, we've created this exclusive program for you to enjoy some R&R while your kids experience exciting, holistic, and inspiring experiential learning activities

You may choose which day(s) your child participates as each day provides independently related activities. Additionally, this program is for children only meaning parents will need to permit their children to be independent during all activities. All programs and activities are facilitated and led by our world-renowned Outdoor Education facilitators. *Note: Families can choose to stay at either the Private Island or Beach Resort, but the camp will be hosted at the Beach Resort.*

13-17  
& 20-24  
OCTOBER  
2025
